

NEWS

Last half term we focused on our favourite stories, which we reflected in our play. We also explored Chinese New Year and Shrove Tuesday.

Whilst the weather was cold we had fun making ice in the garden, we filled some containers with water, when we returned in the morning they had frozen!

We shall continue to focus on our favorite stories as we start this half term and celebrate World Book Day.

We have started to see our spring bulbs appear, so we are looking forward to celebrating spring.
