Committee Meeting—Monday 25th September 7:00pm, The Playstation

As you may know we are a committee run pre-school and it is very important we have new members on the committee to continue to run.

If you would like to have your say in the care and education your child receives here at Playstation we would love for you to join.

The committee meet once a half term for an hour and you can be as involved as little or as much as you like.

Please feel free to speak to a member of staff or the committee for more information.

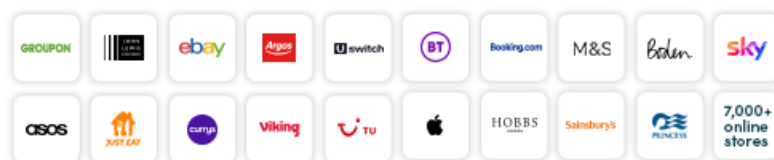

Half term holiday 23rd—27th October. The setting will be closed.

Policies and fees

At our A.G.M. at the end of last term the committee decided not to raise the fees for this term. However we shall be introducing a **late collection fee**. We do appreciate that emergencies happen, however in all but extreme circumstances a late charge will still apply as we still need to pay staff to stay and care for the child.
