

Newsletter June 2023

This terms themes

6th—9th June = Environment week

We will be thinking about our world and how we can look after it. We also hope to be seeing our caterpillars turn into butterflies, who we can release into the garden.

12th—16th June = Families/fathers day

This week we are focusing on families and how they are all different. We have extended our role-play home corner to support play and we may even be making something special.

19th—23rd June = Environment (Rainforest day)

We shall be returning to thinking about looking after our world.

26th—30th June = Messy week (International mud day!!)

We would advise OLD CLOTHES this week as we will be having lots of messy/muddy activities.

3rd—21st July = Sports and outdoor play

As we approach the end of term we shall be spending lots of time outside, please could you remember named sun hats and suncream. Please could we also ask that the children wear clothing suitable for playing safely outside (ie closed shoes and covered shoulders)
